

Create a new User and Role in Ariba Network Account

How to Create a new User and Role within your Ariba Network Account? (1/5)

Procedure

The screenshot displays the SAP Ariba Network account interface. At the top right, the user's initials 'DL' are highlighted with a red circle '1'. A dropdown menu is open, showing options like 'My Account', 'Link User IDs', and 'Settings'. The 'Settings' option is highlighted with a red circle '2'. Within the 'Settings' menu, the 'Users' option is highlighted with a red circle '3'. The main dashboard shows various metrics like 'Rejected invoices', 'Orders', 'Scheduled payments', and 'Early payment offers', along with a 'Company profile' widget showing a 70% completion rate.

Steps

- 1 Click on the initials (top right corner) within your Ariba Network Account
- 2 Navigate to Settings
- 3 Click on Users

How to Create a new User and Role within your Ariba Network Account? (2/5)

Procedure

The screenshot shows the 'Roles' management page in the Ariba Network account. The navigation bar includes 'Customer Relationships', 'Notifications', 'Application Subscriptions', and 'Account Registration'. The 'Users' tab is selected, and the 'Manage Roles' sub-tab is active. Below the tabs, there is a section for 'Roles (1)' with a description: 'Create and manage roles for your account. You can edit the role and add users to a role. The Administrator role can be viewed, but cannot be modified.' There are filters for 'Permission' with a dropdown menu set to 'Select permission assigned' and buttons for 'Apply' and 'Reset'. At the bottom, there is a table with columns 'Role Name', 'Users Assigned', and 'Actions'. A red circle with the number '6' and a '+' sign highlights the button to create a new role.

Role Name	Users Assigned	Actions
Administrator	Daniel Lieferant	

Steps

- 4 Navigate to Users
- 6 Select Manage Roles
- 5 Click on + to create a new role (You need to select a role before you can create a user)
